

Hi everyone,

Thank you for entering our inaugural UpDog Challenge event! Here are a few “need to knows”....

Address: DogStar Farm, 24518 NW 110th Avenue, Alachua FL 32615

The DogStar driveway is the lane between our house (the white one) and the yellow one. There are two yellow/green old wagon wheel things at the top of the lane. Follow the lane straight back. PLEASE DRIVE SLOWLY! You will see the arena on your left and drive through the gate straight ahead. You will be parking in that field. If you have dogs that love to express their enthusiasm while waiting their turn please consider parking toward the middle of the field so we can try not to drive my neighbors too crazy.

Please do not arrive earlier than 5 pm on Saturday or 7:15 am on Sunday. If you are doing “day of show” entries please see me at least thirty minutes prior to the start of play.

Please bear with me! This is new territory for me but I will be trying my best! If something needs my attention please let me know.

Other stuff....

- You are free to exercise dogs in the parking field. It is fenced but there are spots where a small dog could get under (and obviously the gate will be open as well). We also have lots of gopher tortoises. Please do not let your dogs harass them (like mine do).
- There are also horses on the property but they will be sequestered in their round pen away from the arena during the event.
- Clean porta potty by the ring.
- Hose, tub, and baby pool near the ring.
- The area around the ring is fenced, but not the arena itself. You are free to set up crates, chairs, etc in this area.
- The field has lights for Saturday evening, depending on how long we will be playing. Sunday morning we will have at least part shade on the field all the way till 1 pm.
- The field is a dirt/sand manicured/packed footing. Depending on the weather we may take a few quick breaks between classes to water the field.
- Hopefully the awesome ***Megan Quinn Photography*** will be taking photos!
- Check out our photo op!
- High Springs is about four miles down the road and has multiple food options.
- If you need a motel/camping list please let me know.
- Please clean up after your dogs, be nice to people, and of course dogs, and have a good time!

Please feel free to text, 862-266-7807, or email me with any questions, dogstar.fun@gmail.com .

Please do check your email and the DogStar Performance Dog Sports Facebook page for any additional updates, weather-related issues, etc.
